Subject: Regarding fee concession.

Sir,

When we take the admission in the college, we were told that if we will secure above 85% in the 1st year exams then our 50% fee will be reduce. But admission cell, the faculty is asking \$ about coupon but when I take admission, then there is no coupon given by college.

So kindly allow me, or give your permission to them to reduce my 50% fee.

Since I have got 89% in 1st year. So please reduce my 50% fee.

Thanking you
