Respected Sir,

with due respect I want to say you that I am the student of 2nd year of Civil Engineering.

I got admission in this institution on the behalf of my intermediate percentage and I got the 50% discount in my 1st year class of fees.

Now I got overall 75 plus percentage with all clear subjects in 1st year. So, it is my bold request to you, please continue this fee discount in my 2nd year class.

Thanking you

Your faithfully

Amit Mishra
