Subject - Request for fee concession.

Respected Sir,

With utmost respect, I'm writing this application to inform you that I'm a sincere student of second year (Computer Science & Engineering) in your college.

Due to some financial reason, I am not able to pay full fee of the college. Kindly allow me to pay only Rs. 45000/- as my college fee for second year, third year and final year.

Kindly accept my request. I will be very thankful to you.
