SUB: Regarding fees concession of 5,000
for II, III & IV year.

Respected sir,

With due respect I beg to say
that my father is not earning
as much to pay total fees
of your college in electrical
department.

So, kindly waive-off 5,000 fees
from my total fees to take
admission in your college for 3 years.

Dated -

₹5000 for one year

Yours sincerely.
