To,
The Director
SIET, Prayagraj

Subject :- Regarding the relaxation in Yearly fees.

Sir,
I am Soni Agarwal & having a student ID -
20BTCS0167, I would like to pursue BTech
from SIET, Prayagraj with Computer Science
Branch but because of my family financial
background is not good so I can't afford the
85,000 yearly fees. I would like to get a
concession of 25,000 so I can pay 60,000 per
year. Hoping to get help from your end
so that I can show my talent in Education.

Rebate

$$25000 \times 4 =$$

(Twenty five thousands
per year.)
