Subject: - Regarding lateral students admission fees.

Sir,

Please refer to the subject mentioned above. In this regard, I, Praveen Maurya, had lateral students admitted with fees of Rs. 30,000 per year, as agreed upon with the ECE department and you. There are 17 students (6 in the third year and 11 in the second year) who have enrolled with 30,000 fees per year. The students have also been informed to pay the full scholarship amount if they receive it.

Therefore, you are requested to please approve Rs. 30,000 in fees for the following students. Further, you are requested to please direct the control room officials to update the fee details of the following students with reference to Rs. 30,000 in admission fees.

S.no	Student ID	Student Name	Total fees	Deposit fees	Balance fees
