Subject: - fees Requesting for a Concession of fees.

Dear Sir,

I am (Diksha Pandey) writing this letter to express my strong interest in pursuing a Bachelor's in Computer Applications (BCA) at Shambhunath. Having carefully researched and considered various institutions, I firmly believe that Shambhunath offers an exceptional academic environment that aligns perfectly with my career goals and aspirations.

However, I am currently facing financial constraints that may hinder my ability to pursue higher education. As one of my brother (Aman Pandey) is also pursuing B.Tech from this institute so my father would not be financially enough to pay fees at same time. So kindly give me fees concession so that I can take admission.

I hope you will help me, & I will be highly obliged if my request can be kindly considered.

discount of ₹ 10000/- only for admission  
of BCA.  
18/5/23

Sincerely  
Diksha Pandey (23SBCA0024)  
Father name: - Anil Kumar Pandey.
