

To,

subject :- For fee concession.

sir,

I beg to say that, I am M.Pharm 2nd year student from pharmaceuticals branch. I am requesting for fee concession for my collage tuition.

I am obedient, hard working & also hardly involved in extracurricular activity. Even with fee concession support I can continue my academic study confidently without financial burden.

So, I am requesting for 15000 fee concession to relief for financial burden to continue my education.

I am thankful for your consideration & support for my request.

K. Hashim

Thank you
