Subject:- Correction in the fees account statement

Respected Sir:

I Aman Kushwaha, Student of M. Pharma from pharmaceutical chemistry, want to inform you that I have taken admission with the fees amount 1,50,000 including examination fees (i.e. 75,000 per annum, including examination fees). But my fee statement is showing more than the decided amount. So I request you to please make correction in my fee account statement.

Your's obedient student.

Aman Kushwaha.

As this is the last admission in ph.chem, so it was finalized by R.K. Sir with the consent of this student to take admission of including exam fees in Rs. 75,000/- per yr more balance. But in his file it shows his fees structure. R.K. update regarding finalize

17000/-
