Respected sir,

I am a proud alumnus of Shambhunath Institute of Pharmacy, having completed my B.Pharm degree with 81% from your esteemed institution.

Now, as I continue my education with M.Pharm course at Shambhunath Institute of Pharmacy.

However, pursuing higher education comes with its own yet set of financial challenges. I kindly request your consideration for a fee relaxation.

Therefore, I am hopeful that you will take my request into consideration and provide me with the necessary support to pursue my Master's degree without undue financial stress.

discuss of Rs 5000/-
