Subject - Fees concession

Respected Sir,

I am a proud alumnus of Shambhunath Institute of Pharmacy, having completed my B.Pharm degree with 91.5% from your esteemed institution. Now, as I continue my education with M.Pharm (Pharmacology) at Shambhunath Institute of Pharmacy.

However, pursuing higher education comes with its own financial challenges. I kindly request your consideration for a fee relaxation.

Therefore, I am hopeful that you will take my request into consideration & provide me with the necessary support to pursue my M.Pharm without undue financial stress.

Thanking you.

Your Obediently
