Subject :- Fee Concession

Respected Sir,

With due respect I would like to inform you regarding my father's illness where my father's backbone was fractured and as per the doctor, it was cured but then after also, it has to operate and just because of all this, my father's source of income has been stopped and currently, my family's financial condition is very worse.

I request you to please understand

all my concern and requesting you to please provide concession in my balanced fee.

Your obediently
