Subject :- "fee Concession"

Respected Sir,

I would like to inform you regarding my individual problem just that I were doing a job in HOFI ERHO before doing MBA and on behalf of that source of income. I have started doing MBA from S.C.I. and doing my 1st semester exam of MBA. I have to sign from HOFI and from there source of income has been decreased.

Requesting you to please understand my concern sir and it is my humble request you to please provide concession in my fee.

Yours Obediently
