Subject : An application for a fee waiver.

Respected Sir,

I am writing this letter to request a concession
in fees for me (Anshika Shukla) studying in
your college for the course of MBA.

My family has recently facing financial
difficulties due to so many problems and as
a result, I am struggling to meet the monthly
expenses. I am worried that I am unable
to pay the fee on time. I submitted some
part of fees already. Last time I came to
you, you told me to give the concession
on my fee. Sir please give me the concession
at least ₹ 20,000 in my fees. I pay all the
amount of fees remaining in the 2 months.

Sir I request to allow me the for the
exams and external viva and semester
and give the time for the remaining part
of fees.
