Subject:- Application for fee concession.

Respected Sir,

My name is Ansab Husain and I was student of your Institute in S.I.L.T. I want to take admission in M.B.A. I belong to middle class family, where father is only earning the handsome amount for common survival. With this much income, it sometimes becomes difficult to maintain house. Meanwhile, it becomes almost impossible to pay fee for my only sister.

Therefore, from the bottom of my heart, I request you to kindly grant me a fee concession of at least 20,000 INR.

Thanking You
Yours Sincerely
Ansab Husain
