Jhawa, Prayagraj

Sub - Application for fees.

Respected Sir -

With due respect and humble I beg to say that I am student of your institute from course (Btech 1st yr) As I have been also a student of VBPS, so I got a concession of ₹ 10,000 in my yearly fees that is 98,000 so total submission amount was 88,000. But my fees has been submitted through bank by education loan, so bank has given the whole amount (98000) to the college ie no concession is awarded, I request you to provide me my concession amount back ₹ as my father's health is not well so I needed it badly.

Kindly grant me the permission to take the amount back.

Yours obediently
