The President,

Shambhunath Institute of Engineering and Technology,

Prayagraj, Uttar Pradesh.

Subject: Request for Tuition Fee rebate/waiver.

Respected Sir,

I am Ishan Tripathi, the first admission in Shambhunath Institute Of Engineering and Technology through counseling and the student with the highest JEE Mains rank in the college. According to the norms, I believe I am eligible for a rebate in tuition fees as per my merit.

I request your kind consideration regarding my request of 50% fee waiver/rebate. It will encourage me to do better in my studies. Further, if given the opportunity, I can get grants for SIET from IEEE.

I have attached the supporting documents for your ready reference.

Thank you for your kind attention and support.

Yours sincerely,

*Ishan*
