Subject:- Application for fee concession

Dear, Respected Sir.

I am writing to request a fee concession for my child, Vaibhav Kumar (23 PHAR 0145), who is currently studying in B. Pharm IInd year. Due to our current financial situation, we are finding it difficult to afford the college fees. I assure you that this concession will enable us to continue the session.

Thank You for understanding my problem.
Yours Sincerely.

Vaibhav Kumar
