Subject :- request for fee waiver
Sir,

I hope you are doing well. I am writing to kindly request your support regarding my fee. Due to some personal and financial difficulties, I am unable to pay the full amount.

I sincerely apologize for the inconvenience and request to please consider waiving the fee 20,000 if possible. I am truly committed and going my best manage things. But the situation is quite difficult at the moment. I would be very grateful for your kind help and understanding.

Thank you.
