Subject: Application for Fee Concession

Respected Sir

I am Gaurav Pal, a student of class [D. Pharm] in your esteemed institution. I belong to a financially weak background, and my parents are unable to afford the full fees due to low income. I am a sincere and hardworking student with a good academic record.

I kindly request you to grant me a concession in fees so I can continue my education without interruption. I shall be grateful for your kind support and understanding.

Thank you.

Yours obediently
Gaurav Pal
