Subject: Letter for fee concession.

Respected Sir,

I **Saurabh Kesarwani** is student in your institution of **Computer Science** Department having **Id:16BTCS0142**.

My father **Mr. Pradeep Kesarwani** is the only earner of my family. In these recent weeks he suffered heavy loss in his business because of which we are facing serious financial trouble. Before that he paid half of my college fees but now because of financial instability he will not be able to pay fee any further.

It is my humble request to you that you kindly look into the matter and please allow me some real fee concession.

Thanking you,

Yours faithfully,

Saurabh Kesarwani.
