Subject - Fees Concession

Sir,

I am the student of your college of Computer science branch of CS2. In first year I had paid 71,000 now again I want to pay same fees because at the time of admission. ~~the~~ ^{college} has said that if I got more than 75% then I will get concession on my fees.

So sir please prefer to your employer that they took same fees that was in 1st year. Hoping for favourable answer.

Yours obediently.
