Subject :- Inclusion of counselling fee in collage tuition fee.

Respected sir,

My name is Ashish Sivasstava s/o Anil Kumar

Sivasstava, I took part in UPSEE - 2018 counselling.

In third round of counselling I got textil technology

in NITRA campus in Ghazipur, to keep this seat

I had to pay ₹ 20,000 as seat acceptance fee.

But I have no interest in allotted seat so I

took admission in your institute in computer science

branch.

I want you to include this seat acceptance fee

in your collage tuition fee.

Thank you.
