Subject- Seat acceptance Fee return

Respected sir,

I want to say that I got a college in Meerut for which I paid seat acceptance fee but the college is very far from home so I took admission in this college. It is near from my city.

So my humble request to you to return my seat acceptance fees and add in my college fee.

P.S. Consider and give rebate of ₹12,000/- due to allotted other College of Meerut through Counselling.

Manish

Thank you  
Your obediently
