Subject → Application for leaving hostel permanently.

Sir,
My name is Adarsh Pandey. I have been living at your hostel in (SIP) for the past 02/09/19 months. I am fully pleased with all of the services that your hostel provide and I have never had any issue with any of the staff as well. And I am unable to survive here because of an infection.

Kindly accept my letter as my notice for leaving the hostel permanently. I will remember you in prayers and I will recommend everyone to stay at your hostel if needed. Thank you.
