EDUCATION

Bachelor of Technology
AKTU

📅 08/2019 - 08/2026   📍 Lucknow

Intermediate
Saint Mira Academy

📅 04/2020 - 04/2022   📍 Moradabad

High School
Saint Mira Academy

📅 04/2018 - 04/2020   📍 Moradabad

TRAINING / COURSES

Coursework

Topics covered include Data Structures, Algorithms, Operating Systems, and OOPs

PROJECTS

College ERP System

📅 01/2023 - 05/2023

A full-stack web application designed to manage college records effectively

- Developed a full-stack College ERP System to manage student records, attendance, and faculty data efficiently
- Implemented secure authentication and role-based access for admins, teachers, and students

STRENGTHS

💬 Creativity
Demonstrated creativity in video editing and application design

☆ Adaptability
Proven adaptability in learning new technologies and working in various environments

★ Teamwork
Excellent teamwork and communication skills developed through group projects and collaborative internships

KEY ACHIEVEMENTS

⚡ College ERP System
Developed a full-stack College ERP System to manage student records, attendance, and faculty data efficiently. Implemented secure authentication and role-based access for admins, teachers, and students

SKILLS

AWS   CSS   Data Structures

ERP   Google Firebase   GUI

HTML   IBM   Java   JavaScript

JDBC   JSON   Kotlin   Modular

Multi-threading   Photo Editing

RDBMS   SQL   Videography

Chess   Gmail

INTERESTS

✨ Vlogging and Editing
Vlogging & video/photo editing

🚩 Chess Playing
Playing chess and participating in online tournaments

INTERESTS

Traveling

Traveling and exploring cultures, showcasing adaptability
