

Sec-1

(5) Human - Human Relationship

1. The proposal above outlines very clearly that relationship is better than self ('I') and the other self ('I'). It is a need of the self ('I') to be in relationship with the other.

2. Being in relationship, we have feelings for the other. These feelings cannot be replaced by any material or physical things.

~~3. These feelings are definite and these~~

3. feelings (values) in relationships
