

Section - 5

Foundational value on love is the complete value and it covers every walk of ~~the~~ life with following :-

Acceptance, affection, care, compassion, consideration, dedication, devotion, empathy, forbearance, forgiveness, friendship, generosity, gentleness, humanness, kindness, patience, patriotism, reverence, sacrifice, selflessness, service, sharing, sympathy, thoughtfulness, tolerance and trust.

And power of love.

The following candidates for power love values are supported by research on characteristics of long-term relationship and long term relationship is last long when these aspects are there :-

Equality :- Rights, preferences and responsibilities are more or less equal. Neither has authority over and over.

Fairness : Partners maintain mutually acceptable division of labor and responsibility for the growth and well being of the family.

Friendship / support :- partners confide in each other and are "there" for one another.
