

Section-2

Ans-1 Value Education:

- * The subject that enables us to understand 'what is valuable' for human happiness is called value education.
- * Value education is important to help everyone in improving the value system that he/she holds and puts it to use.
- * Once, one has understood his/hers values in life he/she can examine and control the various choices he/she makes in his/her life.

Importance of value education:

- * Value education helps us to explore our inner happiness.
- * It helps us to remove the ignorance, which covers our inner knowledge.
- * It helps us to build up strong relation.
- * It helps us to actualize the potential which already exists within us.
- * It helps us to visualize our goals clearly.
- * It teaches us to be harmony with self, people and nature.
- * It reduces the feeling of jealousy and promotes brotherhood.
- * It widens our perception towards analyzing things.

Page No. _____

* It helps us in building our thoughts and thus character.

* It helps us to understand our needs and provides direction to fulfill them.

* The present education system has become largely skill-based.

* The prime emphasis is on science and technology. However, science and technology can only help to provide the means to achieve what is considered valuable.

* It is not within the scope of science and technology to provide the competence of deciding what really is valuable.

* Value Education is a crucial missing link in the present education system.
