

Section → 3

(Q1) What are the reasons of unethical practices in profession today? What is the real solution to the above problems? Give your opinion.

Soln

- The driving ethos in the present times has the thrust upon wealth accumulation & profit maximization. It is a widespread tendency to consider these as the parameters of happiness & prosperity.
- Now a days people consider happiness in terms of maximization of sensory enjoyment therefore the motivation is that of wealth accumulation. This is resulting in hazardous consequences.
- The present trendists have narrow world view & care for interests of personal gain and forgetting the benefit & interests of world family & nature.
- Some of the major unethical practices prevailing in today's world are:
 - (i) corruption in various forms also hawala & benami transactions.
 - (ii) Misappropriation of funds & tax evasion.
 - (iii) cut throat competition & exploitation at various levels.
 - (iv) misleading propaganda by way of unethical advertisement.

(v) Hunger, poverty, illiteracy.

- We can feel the malaise of these actions all around us. We can take some measures to control the situation which is running out of hands.
- We can only curb the ill effects by the above mentioned method. But the root cause behind all the malaises can be treated only by change in the world view. This can only be achieved through right understanding.
