

Answer 2. According to the content of value education will be to understand myself, my aspiration, my happiness, understand the goal of human life comprehensively, understand the ethos ethined in nature, the 'innate inter-connectedness' the co-existence in the nature / existence entirely hence it has to encompass understanding of harmony at various levels and finally, learning to live in accordance with this understanding by being vigilant to one is through behaviours and learn

And the second thing, character oriented education that in this basic value and ethics value in one's psyche is called 'Value based Education'. The subject that enables us to understand what is valuable for human happiness is called value education. Value education is important the value system he/she holds and push it to use.
