

Section 2

Q2 What should be the content of value of education make it complete.

Ans.2 According, the content of value education will be to understand myself, my inspiration, my happiness, understand the goal of human life comprehensively, understand the other entities in nature, the innate inter-connectedness, the coexistence in the nature-existence and finally the role of human being in the nature/existence entirely. Hence it has to encompass understanding of harmony at various levels and spiritually, learning to live in concordance with this understanding by being vigilant to one's thoughts, behaviour and work.

And the second thing, character oriented education that instills basic values and ethnic values in one's psyche is called 'Value Based Education'.

The subject that enables us to understand 'what is valuable' for human happiness is called value education. Value education is important to help everyone in improving the value system that he/she holds and push it to use.
