

Q1
Ans

Universal Human order:-

1. Living in harmony of an individual right from the individual level to the level of the entire order or existence is known as the universal human order.
2. Universal human order can be achieved only by right understanding. As we have seen the whole existence and all around makes harmony except the human being.
Family \Rightarrow Family \Rightarrow cluster \Rightarrow village \Rightarrow Village cluster \Rightarrow world family.
3. It is possible through right understanding we need work in universal order. It is only right understanding that provides us the basis for humanistic.
4. Now a day human society is divided into many caste, race, religion, nationalities whose objective and efforts are different.
5. Thus we need to perform our duty in appropriate way to ensure undivided society.
