

Toas to review (+ unscrambling) *Value Education*

- Ans ② ① Value education can not be provided through proper text book but with inspiration and initiative of the teachers, the can be taught the proper way. There are some way for providing value education for the students these are as follow.
- ② Social and ethical value, example from day to day situations extracts from saying of great men, incidents and problems which develop values judgments among the pupils, poems, religions, stories etc. can be taught to the students.
- ③ Personality Development aspects. Can be held to enable the students to develop self-control, punctuality, sharing and caring respect for others' forths - cooperation etc.

- (iv) Special teachers orientation programmes should be taken up at the state level to train teachers in the effective methods of development of value among students and teachers.
- (v) It is never needed to identify any particular religion or faith - god is one and we are all children of the same god, that is the basic lesson that needs to be given.

### Section 3
