

### [ Question. - 3 ]

## Harmony in Nature - ?

The General Assembly of the United Nations approved by consensus two resolutions presented by Bolivia. The first entitled Harmony with Nature asks to convene an interactive dialogue on International Mother Earth Day on April 22, 2012. Topics will include methods for promoting a holistic approach to harmony with nature, and an exchange of national experience regarding criteria and indicators to measure sustainable development in harmony with Nature.

This resolution recognizes that human beings are an inseparable part of Nature and that they cannot damage it without severely damaging to the planet. It is a call for the United Nations Conference on Sustainable Development in 2012..

\* Why is importance of  
Harmony in nature?

Peace and harmony can bring a peaceful and stable order to society and they are a necessary condition for the survival and development of mankind.

Among those thoughts which have been handed down to the present and continuing to have important influence, peace and harmony occupy the most dominating position.
