Ans! → The right understanding gained through self-exploration also enables us to identify the definitiveness of human conduct which may also be called the ethical human conduct. It is the same for all human beings. So we are also able to understand the universality of ethical human conduct which is in consonance with the universal human values.

As we have already explored in this book, each one of us wants to have a defined conduct but presently we may not be able to ensure that. This is because we are presently living on the basis of our pre-conditionings. Our assumptions which are not in consonance with the truth or the right understanding, but this situation neither gives satisfaction to us nor to others. We do see the human beings struggling to find out what the right conduct is to be endlessly about what they consider to be ethical.
