What is the difference between Animal Conscious and Human Conscious?

Q. Giving all properties to physical facilities only or to live solely on the basis of physical facilities may be termed as animal consciousness. Living all the three: right understanding, relationship and physical facilities are called human consciousness.

Right understanding

Relationship with Human

Physical facilities

Mutual happiness

Mutual prosperity

Physical facilities for Human necessary but not complete	Physical facilities for Animal necessary and complete
--	---

TO live solely on this basic is called consciousness

Transfer matter

TO live with all three is called human consciousness this is where we want to be

For animal physical facility is necessary as well as complete whereas for human being it is necessary but not complete whereas for human being it is necessary but not complete, working only for physical facilities, is living with animal consciousness. Working for high understanding as the first priority followed by relationship and physical facilities implies living with human consciousness.

there is a need for transformation for animal.
