

Human being is the coexistence of the self and the body

- Understanding human being as co-existence of self &
- All human being want to live happily at all time and are striving for this goal. Continuous happiness is being in harmony within oneself, being in harmony with other and beings in harmony with nature

- The needs of the Body can not be fulfilled by Right understanding, Right feeling alone
- The needs of the self can not be fulfilled by physio-chemical things
- One need of consciousness can not be fulfilled by material
