

SECTION - 6

ANSWER - 2

DEFINITIVENESS is designed in
Human conduct :-

The definitiveness of Human conduct in terms of Values, policies and Character is formed as ethics.

The ethics in the living of an individuals can be imbibed only through inculcation of Values, policies, and Characters, and this is possible through the process of enquiring right understanding.

We are related to the air, water and soil to the plantx and other one are related to the animalx and birds with plantx.
