

Ans-1 A team becomes more than just a collection of people when a strong sense of mutual commitment creates synergy, thus generating performance greater than the sum of the performance of its individual members.

One of the many ways for a business to organize employees is in teams. A team is made up of two or two people who work together to achieve a common goal. Teams offer an alternative to a vertical chain-of-command and are a much more inclusive approach to business organization. Teams are becoming more common in the business world today. Effective teams can lead to an increase in employee motivation and business productivity.
