Q-2 - What is the Scope of Collective Bargaining? What can be the issues behind failure of Collective bargaining?

Ans - Collective Bargaining is the process where representatives of the employer and employees are meeting together to discuss about the terms and condition of the employment.

The following are the main objectives of collective bargaining

(i) To increase mutual confidence between the employer & employees

(ii) To regulate terms and conditions of employment without intervention of a third party

(iii) To create cordial environment in the establishment.

(iv) To protect the interest of the employees, through collective action and by preventing unilateral action on the part of the employer.
